Guess My Fruit

Method 1 – Tell the Friends

1. Think of one fruit but do not tell your friend.
2. Tell your friend which groups (A, B, C and D) contain your fruit.
3. Your friend adds the values of those groups.
4. The total reveals your fruit.

Method 2 – Ask the Friends

1. Ask your friend to think of one fruit.
2. Ask which groups (A, B, C and D) contain that fruit.
3. Add the values of those groups.
4. The total tells you which fruit your friend selected.

Printing Instructions

1. Print Page 1 and Page 2 of the PDF on opposite sides of the same sheet.
2. Keep the fruit pictures on the outside.
3. Fold the page in half to create your activity.
