Guess My Sea Animal

Method 1 – Tell the Friends

1. Think of one Sea Animal but do not tell your friend.
2. Tell your friend which groups (A, B, C and D) contain your Sea Animal.
3. Your friend adds the values of those groups.
4. The total reveals your Sea Animal.

Method 2 – Ask the Friends

1. Ask your friend to think of one Sea Animal.
2. Ask which groups (A, B, C and D) contain that Sea Animal.
3. Add the values of those groups.
4. The total tells you which Sea Animal your friend selected.

Printing Instructions

1. Print Page 1 and Page 2 of the PDF on opposite sides of the same sheet.
2. Keep the Sea Animal pictures on the outside.
3. Fold the page in half to create your activity.
